All three of Sam Smith's cyclocross movies are now half price until January 27th. I've seen Transition and Cyclofile, and I enjoyed them quite a bit, so I ordered Transition 2. **From the site:**

All DVDs are \$9.99 until Cyclo-Cross World Champs on January 27. If you always wanted Transition, Transition 2, or Cyclofile #1 on DVD but were never able to plunk down the necessary cash, now's your chance. Snatch 'em up. But act fast because the sale is over after Worlds.
