This morning, we picked up where we left off **yesterday**. We started with this:

And had it knocked down in a couple hours:

A lot of it fell into the pool itself:

...So we spent the rest of the day tearing things apart and throwing it in the dumpster. We ran out of room, so we'll have to get another one soon. Regardless, it looks better now:

And yup, don't know if anyone noticed, but It was hot out there again...
